## August E-Newsletter

---

We love the warmth and sunny days of summer but the high temperatures can be intense. That's why it worries us when families receive eviction notices or disconnect notices of their utilities. Please help us keep everyone safe - make a donation to Church Community Services.

The women of Team 27 stayed strong and completed the 5-month Soup of Success program. Friends, family and staff proudly celebrated them at their graduation ceremony. Congratulations, ladies!

The greenhouse project is progressing well. We are so excited to see it completed! Meanwhile, our Teen Growers finished their summer program with a party and the Seed to Feed gardens continue to provide fresh, summer produce for the community.

We have truly amazing volunteers! Mike and Cheryl decided to bless us with a brand new wet/dry vac, making it easier to clean the pantry.

Tyonna Baxter from WSBT 22 paid a visit to CCS recently. She spoke with Michael and Frank about the shortage of donations that we are experiencing and the decreasing amount of food in our pantry.

We are grateful to her and WSBT 22 for spreading awareness of the situation. To help, please use the donation link below.
