times await!

It's been a busy summer for Soup of Success.

At the end of June, the women and staff chose to volunteer their time one day working on a Habitat For Humanity house on the north side of Elkhart. It was a beautiful day and it felt great to learn some new skills and give back to another woman in the community!

On July 12, we held our annual Soup of Success Graduate Reunion picnic at Studebaker Park pavilion. Graduates and their families enjoyed catching up with each other, good food, a pinata for both the children and the adults, face painting and playing bingo!

Currently Team 27 is working hard on finishing up resumes and classes and will be celebrating at graduation on August 24!

What's Seed To Feed up to? A lot!

From appointing a new director (Welcome, Erica!), a table at Elkhart's Farmers Market, kicking off the Teen Growers initiative, construction on the new greenhouse and community garden, classes, tours of partner gardens, working in the gardens, and even visiting former director, Gabby, they've been a busy bunch. And the growing season is far from over!

Help us celebrate our 55/25 Anniversary and donate to our Marvelous Million Dollar Magnifier Campaign!
