## December E-Newsletter

Seed to Feed raised the funds needed to complete the second greenhouse and microfarm. In early November, with help from student volunteers, they collected the first harvest from the production greenhouse!

---

The current class of Soup of Success successfully and accurately filled orders throughout the holiday season and did an amazing job. Taking a break from class and work, they shopped in the annual SOS Christmas Store where they picked up wonderful gifts for their children and loved ones for free!

Graduation will be here before we know it and SOS is scheduling interviews in March for the next class. If you are interested or know of a woman interested in participating in Soup of Success, [click here and apply!](#)

---

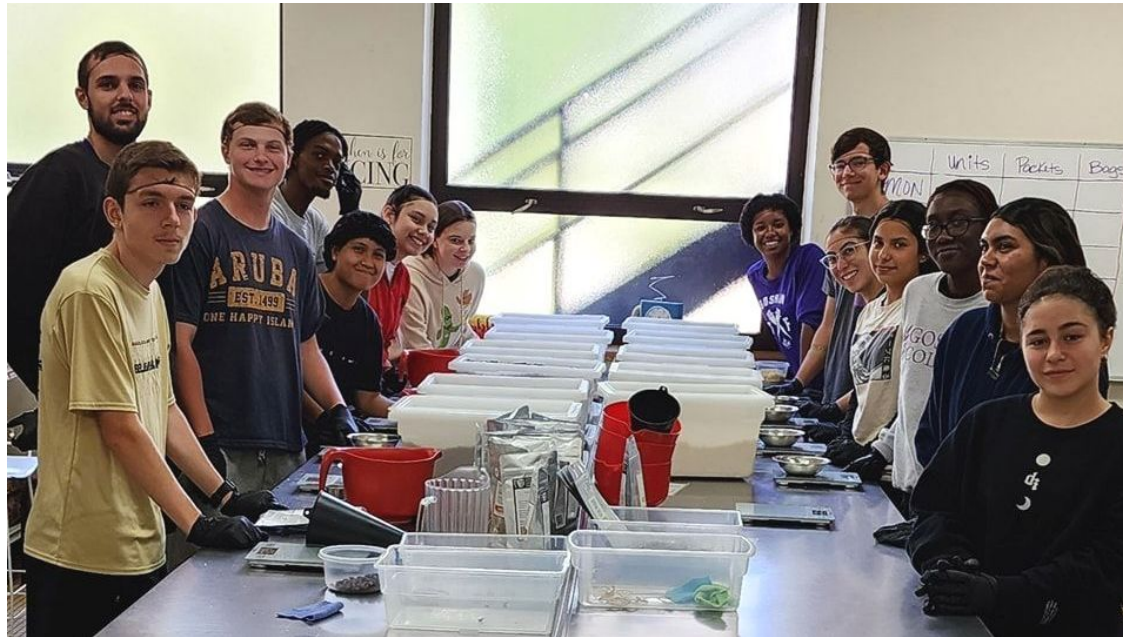

CCS needed a new van and THOR Industries came through! Thank you for our 2023 Dodge Ram 3500 Promaster Cargo Van! Pictured here are THOR and CCS staff with Food Services Director, Michael, proudly holding up the keys.

---

We are always amazed by and grateful for the people who step up again and again to help those in our community who are in need. You have helped through your church, company, organization, club, school, or on your own. You volunteered, donated, and encouraged others to help, too. Thank you for your faith in Church Community Services. Thank you for lifting up Elkhart County!

---

I am inspired daily by the compassion of our staff. I am inspired daily by the compassion of our volunteers and donors.

One of our Board members turned the phrase, "When business is down in Elkhart County, business is up at Church Community Services." When people need a helping hand, we are here to help. A Financial Services client recently said, "Whenever I have needed help in the past, Church Community Services has always been there."

For 56 years, we have been there. We have been here keeping Elkhart County families from homelessness, fed, and empowered. More recently, we have been growing fresh produce and teaching micro-farming. With our staff, volunteers, and donors, CCS is positioned to continue to serve for another 56 years!

Keith Sarber  
Executive Director
